The general benefits of massage, possible massage contraindications and the treatment procedure have been explained to me. I understand that massage therapy is not a substitute for medical treatment or medications, and that it is recommended that I concurrently work with my Primary Caregiver for any condition I may have. I am aware that the massage therapist does not diagnose illness or disease, does not prescribe medications, and that spinal manipulations are not part of massage therapy.

I have informed the massage therapist of all my known physical conditions, medical conditions and medications, and I will keep the massage therapist updated on any changes. I understand that there shall be no liability on the practitioner's part due to my forgetting to relay any pertinent information.

If I experience any pain or discomfort during the session, I immediately communicate that to the therapist so the treatment can be adjusted.

I have received a copy of the therapist's policies, I understand them and agree to abide by them.
